We hope this brochure finds your 2026 starting out with health & blessings and look forward to seeing some of you along the way with us this year.
Thank you for your patience as you waited for the brochure!
We've been navigating health issues, as many of you, so the brochure dates we've planned are always Lord-willing!

This only gives brief itineraries for the longer trips, so please call for more info—we only have so much room to share info with you!

No deposits are due for our trips—<u>just call</u> to put your name on the list. As some may know, we had wait lists for most of our trips in 2025, so check your dates & <u>call SOON!</u> So, if you find yourself not feeling well even a few days before departure dates, please call us. We will make every effort to refund at least a portion of your trip but being sick while traveling is no fun for yourself—or others on the coach. Thank you for your consideration!

Day trips also do not require deposits; however, if you sign up and then can't make it, please let us know as soon as possible—we quite often have wait lists, <u>but once we give a final count, we have to pay for that full number</u>.
