We hope this brochure finds your 2019 starting out with health & blessings and look forward to seeing some of you along the way with us this year.

We realize some of our trips cost more this year, primarily due to increase in coach costs & hotel costs. (If it would help for the longer trips, the balance could be paid in two installments.) The brochure only gives brief itineraries for the longer trips, so please call for more info!

Some of the day trips with shows have different & shorter cut-off dates this year so the sooner you can let us know, the better that would be. These day trips do not require deposits; however, if you sign up and then can't make it, please let us know as soon as possible.

If you have any questions about any of the trips, please feel free to call or e-mail us.

If you're not able to travel with us, please feel free to share this with a friend—our trips are continuously blessed by friends of friends!
