Dear Rosewood Church,

Thank you so much from everyone at the Casa Cuna for your donation to the Casa Cuna back in December!!! I received the money when the team came down in February and Clara and I just finished yesterday getting the last purchases. Clara the house parent and I discussed the best way to use the money as there were needs that were more urgent than the pj's and toys. Shelly Anderson gave the ok to use the money as needed and below is how we used the money. Clara said to tell everyone "Thank you! Thank you!!"

First I took the children to the Shoe store where most of them got white tennis shoes for school. Those that didn't need them got sandals or other shoes. In all 20 shoes were bought. They always enjoy this time of going to the store and having an outing.

The home was also in need of backpacks for school for the children and 9 backpacks were purchased.

We were very low on the character towels for birthdays. Each child has their own towel that they use every day when they shower. 13 character towels were bought.

The last purchases were for everyday needs. 8 Shampoos, 6 conditioners, 8 baby shampoos, 2 packages of diapers (92 diapers), 10 hair gels, 5 packages of cookies.

We also purchased 2 scooters, 2 motor cycles and Mickey Mouse figurines for the children to enjoy every day.

Thank you to everyone who gave. It is a huge blessing for the Casa Cuna. I would also like to say thank you to everyone who donated to me personally. It is a huge blessing for my ministry work here and I appreciate it. Also to those who have given through E-giving the last couple of months. I appreciate your donations.

A special thank you to Shelly Anderson for doing this project and blessings all the children! ☺

Love in Christ, Michelle Longstreet
