

Greetings from Mexico! I am very happy and excited to write I was able to get a newer to me vehicle last week! Thank you to everyone who

donated back in December to the car fund and a very special thank you to my parents who made it possible for me to be able to get a more reliable vehicle. It is such a blessings and I am so grateful!!!

The months have gone by so quickly. We have had teams here doing work projects and activities with the children. One team had all the homes go to Casa Matriz for a taco party! It was a fun night with the children entertaining everyone one. Karmen from Casa Cuna said the "Lord's prayer in English" in front of everyone. The children enjoyed hitting the piñatas. It was a fun evening for all! 😊

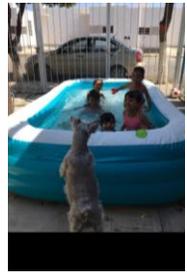

Someone offered to pay for all the children in all the homes to go to the movie theater a couple times and also to the pools. That was a super special day! The children have so much fun together at the pools. 😊 The same person also invited all the men workers to the movies and the women workers another time. It's not very often we get to do that together. We all were super blessed that someone paid for all those outings for everyone to enjoy!!

Over spring break I had Belen and Cristian stay at my home for the vacation days. It was over Easter weekend and we had a special time together. I also had five girls come and stay overnight during spring break. At the end of our time together one of the girls told me as I was taking them back. "I love going to your house!" I was super tired and ready to take them back but hearing that made all the tiredness worth it!!

We celebrated Caris' 15th birthday with a party a few months early taking advantage of Dennis and Diane visiting Mexico. What a special night that was. Most of the homes donated something for the party. We dressed up all the children and they walked and pushed Caris down the long hallway to greet her guest. There was a song playing and at

the end the boys gave her a kiss on the cheek and a rose. It was so precious!!! It was an enjoyable night for

everyone and Caris loved all the attention!! ☺

The children were blessed with many parties for "Day of the child." Even a rabbit showed up during lunch to say hi to the children. They loved it!

One of the families that sponsor Eva gave money for the Casa Cuna to celebrate her birthday. We had a nice outing at the zoo and pizza for lunch. It was a super special day for everyone! The children enjoyed seeing all the animals

and feeding the giraffes!

Thank you so much for your support of my ministry work here in Colima Mexico. I greatly appreciate your prayers and support allowing me to be here and speak into the lives of these children. I never imagined being here for five years and now I have passed 21 years!

Prayers for the children as the several have had the chickenpox in the last month.

This past week Zaid was taken out of our home to live with his aunt. I was talking to him the morning he was leaving. Telling him I loved him and I would be praying for him. For him to remember to keep following Jesus and to remember that Jesus lives in his heart. He looked up at me and said, "Yes mom." He had tears in his eyes. He was excited to go but didn't want to

leave the Casa Cuna at the same time.

Love in Christ,

Michelle Longstreet
