Youth Ministry Leadership

Elizabeth Ringel (Director)

Hey! My name is Elizabeth, and I'm the new Director of Student Ministries for 6th -12th grade youth. I found my love of ministry during college where I studied psychology, youth ministry, and dance at Hope and counseled at Camp Barakel during the summers. Besides ministry and dance, I also love playing games, hiking at National Parks, and going on retreats at camp. I am excited to see the plans that God has in store for youth ministry at Rosewood!

Other leaders include Lisa Brown, Dawn & Gary Danielson, Geena & Randy Kruger, Connie Paul, and joining us soon will be Derek & Kristi Walters!

Rosewood Youth Ministry Vision:

Rosewood Youth Ministry's vision is to mentor and walk with students to help them grow in their relationship with Christ. A strong emphasis is placed on being intentional about connecting with students, helping to guide them, and being there for them in the good and bad situations of life. We strive to see youth become followers of Christ, and we desire for those who are already in a relationship with Christ to grow in discipleship and leadership. In a culture that is very strong, we seek to help guide students to live and act in a way that honors God. We also want to partner with families and encourage the greater church body to become interested and involved in the lives of the students. In addition, our vision is to see the number of students participating in our ministry grow, as leaders and students reach out to others in our influence and provide a fun, safe, encouraging, learning, and challenging environment to those participating in the ministry.
