We hope this brochure finds your 2023 starting out with health & blessings and look forward to seeing some of you along the way with us this year with continued Covid protocols in place!

We appreciate your prayers as we continue to put the trips together—as many others in our age range, we have had unusual medical issues but at this point we are both feeling well and look forward to another year of travel!

The brochure only gives brief itineraries for the longer trips, so please call for more info and especially if you have questions related to traveling due to Covid—we only have so much room to share info with you!

No deposits are due for our trips—just call to put your name on the list.

As some may know, we had wait lists for most of our trips in 2022, so check your dates & call SOON!

So, if you find yourself not feeling well even a few days before departure dates, please call us. We will make every effort to refund at least a portion of your trip but being sick while traveling is no fun for yourself—or others on the coach. Thank you for your consideration!

Day trips also do not require deposits; however, if you sign up and then can't make it, please let us know as soon as possible—we quite often have wait lists, but once we give a final count, we have to pay for that full number.

If you have any questions about any of the trips, please feel free to call or e-mail us.
