We hope this brochure finds your 2024 starting out with health & blessings and look forward to seeing some of you along the way with us this year.

Thank you for your patience as you waited for the brochure!

We appreciate your prayers as we continue to put the trips together—as with many others in our age range, we have had unusual medical issues but at this point we are both feeling well and look forward to another year of travel!

This only gives brief itineraries for the longer trips, so please call for more info and especially if you have questions related to traveling due to Covid—we only have so much room to share info with you!

No deposits are due for our trips—just call to put your name on the list.

As some may know, we had wait lists for most of our trips in 2023, so check your dates & call SOON!

So, if you find yourself not feeling well even a few days before departure dates, please call us. We will make every effort to refund at least a portion of your trip but being sick while traveling is no fun for yourself—or others on the coach. Thank you for your consideration!

Day trips also do not require deposits; however, if you sign up and then can't make it, please let us know as soon as possible—we quite often have wait lists, but once we give a final count, we have to pay for that full number.

We are having our guests sign a trip waiver which will be good all of 2024. The form will be sent with your first trip's itinerary & can be returned with your first scheduled trip payment.
